## NOTE:

The ground mounted business name sign area has been calculated using a  $24^{\prime\prime} \times 36^{\prime\prime}$  sign panel. The contractor shall determine the size needed and the exact length required to accommodate the message. The letters shall be  $4^{\prime\prime}$  Series B. The color shall be blue background with white legend and border. The sign shall be mounted according to standard Drawings D-704-7 & 8.

The arrow shall be positioned either on the right or left side of the sign as required.

The cost of the sign, installing, moving, and removing shall be included in the price bid for "24IN x 36IN SIGNS".
